

# Custom Program Builder

Please use the following table to build a custom program for the year, the semester, or even just a few weeks! You can select the courses you are interested in and the number of total sessions below to see an estimated cost for your program. To receive an official quote, or if you have any questions, please reach out to your sales representative. Discounts may also apply.

Course	Price per Hour	Number of Sessions	Project hours per Session	Max Number of Students	Subtotal
<input type="checkbox"/> Anime	\$120.00	<u>10</u>	1	20	\$1,200.00
